

JD_Marketing Assistant

We are hiring for a *Marketing Assistant* to support EO Vietnam's operations with an emphasis on marketing and communications activities. This role works closely with the Chapter Manager to ensure smooth chapter operations, strong member communication, and high-quality event execution. The ideal candidate has a background in marketing/communications, enjoys organizing, and is passionate about supporting a dynamic community of entrepreneurs.

Key Responsibilities:

1, Marketing & Communications:

- Manage and schedule content across EO Vietnam's social media channels (Facebook, LinkedIn, Instagram, WhatsApp).
- Use AI to automate tasks and rapidly produce content.
- Assist in planning and executing marketing campaigns for events, initiatives, and major chapter announcements.
- Maintain and update the chapter website with current information, events, and resources.
- Create visual assets (basic graphics, posters, banners) for promotions using Canva or similar platforms.
- Support monthly newsletters, event recaps, and internal communication updates.

2, Data & Documentation:

- Update and maintain member information, attendance data, and chapter trackers.
- Support collection of photos, media files, and event documents for the chapter archive.
- Assist in preparing reports for the board, including membership, event, or communications metrics.
- Ensure data accuracy across HubSpot, WhatsApp groups, and internal files.

3, Event support

- Assist with planning, logistics, and execution of EO events (learning events, socials, MyEO activities, Forum Trainings, etc.).
- Coordinate suppliers, venues, materials, sign-in sheets, and member reminders.
- Help manage on-site registration, check-in, and event experience for members and guests.

Qualifications:

- 1-3 years of experience in marketing, content creation, events, or admin roles.
- Fluency in English, excellent interpersonal (verbal and written) communication
- Ability to design simple visuals using Canva or similar tools.
- Comfortable using AI tools like ChatGPT and Google Gemini AI Studio (images)
- Comfortable with spreadsheets, data entry, and organizing information.
- Experience with social media management (FB, IG, LinkedIn).
- Willingness to work flexible hours, including nights and weekends when required.
- Understanding of HubSpot, Wix website CMS, or event planning is a strong plus.

What we offer:

- Competitive salary & Performance Bonus
- Allowance
- 100% salary during probation
- Fully paid compulsory insurance after probation
- Free to explore AI tools and Chat GPT
- Entitled to 12 days off and 05 medical days off per year
- Opportunity to work with international clients and peers
- External and Internal Training Opportunities are sponsored by the company
